*Working to advance the women and girls of California*

## **SUSTAINER GIVING FORM**

California NOW understands that women's rights are human rights, that is, every human being is born free, equal in dignity and rights, and must enjoy the equal protection of the law against discrimination based on sex, sexuality, gender, race, ethnicity, national origin, age or other actual or perceived classification.

Your donation ensures we are able to continue working to create, advocate, implement and monitor legislation that uses a woman-centered human rights framework in advancing women and girls' equality and empowerment.
