

Electronic Payment Program

You can conveniently transfer payments to Turning Point at Calvary Church or Christian Academy each month from your checking or savings account. We do not accept payments via credit cards or debit cards. Pastor Conrad has carefully and cautiously decided not to allow payments to the church or school to be charged on a credit card or debit card. Although many people pay their credit cards off each month, many also struggle in this area. It is felt that it's not right to potentially put someone in the position of going into debt and paying interest on payments made to the church.

EFT Corporation, with over 20 years of experience in electronic transfer services, will provide this service. The Electronic Payment Program is convenient, safe, secure, reliable and free to church members. A record of your payment(s) will appear on your monthly bank statement. In addition, you will receive an annual invoice at your request showing all of your payments to TPAC regardless of the method. You may increase, decrease or suspend your payment at any time the online payment form at www.tpcalvary.com or by contacting Turning Point at Calvary Church by phone or mail. All payments provided to Turning Point at Calvary Church as ACH transactions comply with U.S. law.
