New Hope Church has some good news to share! We are now offering electronic giving through a program called e-Giving. When you participate in this program, your gifts will be transferred conveniently from your checking account or savings account directly to New Hope. You can make a one-time contribution or set up recurring semi-monthly or monthly contributions. With e-Giving, your gifts will go further than ever allowing us to plan future projects with greater efficiency since more will be known about our revenue stream over the months ahead. The program is convenient, as well as safe, secure, and reliable. All transfers originate as Automated Clearing House (ACH) transactions from your checking or savings account and comply with U.S. law.

As a participant in the program, you are still free to make additional gifts by check or cash. You may continue to place additional gifts in the offering baskets at the weekly Central Gathering. A record of each gift will appear on your monthly bank statement. You will also receive an email receipt each time a gift is given. All donations made through this webpage are tax-deductible and we will continue to record and report to you all of your giving, regardless of the method, on the end-of-year giving statements New Hope provides.

Note that New Hope does not allow purely restricted donations. Funds can be designated as allowed below (for example, to the building fund), and we will almost certainly use the funds for the purposes for which they were designated. But technically New Hope retains the right to utilize all funds as it sees best (for example, in an emergency situation).

If you have any questions regarding your online gift, please contact Dave directly at (785) 537-2389 or via e-mail at newhope@newhopeks.org.
