

GIVING FORM

The Creation Foundation is a non-profit organization that works through music, education and medical care to bring glory to our Creator. We work with Creation Festivals as well as local and international organizations to assist in the educational, physical, emotional, spiritual and medical needs of those in our country and worldwide.

Your donation will go even further because our paperwork will be reduced; our income will be more predictable, putting your donation to work immediately to help the people who are served by our mission.
