

Do you remember what you thought or how you felt when you read *Atlas Shrugged* or *The Fountainhead* for the first time? Do you want others to have that same experience? The Ayn Rand Institute makes that happen every day. We encourage young people to read Ayn Rand and learn more about her ideas through educational programs, articles, talks, blog posts and social media. Ayn Rand's philosophy offers a much-needed antidote to the present culture. Your contribution will help us promote her ideas to the widest possible audience.
