The E-Giving Program - Electronic Tithes and Offerings

St. John's has some good news to share. Your offertory gifts made through the E-Giving Program work harder than ever to support St. John's Lutheran Church. When you participate in the E-Giving Program, your gifts will be transferred conveniently from your checking or credit card account directly to St. John's.

With the E-Giving Program, your gifts will go further than ever, allowing St. John's to reduce administrative costs, plan future projects with great efficiency, (since more will be known about its revenue stream over the months ahead), and spend more time on ministry, less on fundraising. The E-Giving Program is convenient, as well as safe, secure and reliable.

As a participant of the program, you are still free to make additional gifts by check or cash as the Lord provides! You may continue to place an offertory envelope in the weekly collection plate.

A record of each gift will appear on your monthly bank or credit card statement. You may increase, decrease or suspend your giving at any time by contacting St. John's. All transfers originating as ACH transactions from members' accounts comply with U.S. law.
