

SUSTAINER GIVING FORM

Help Deserving Serbian Students Receive an Education with your donation.

For more than 21 years Studenica Foundation has striven to improve accessibility to higher education for Serbian students. We have been unmatched in our scholarship giving -- to date over 2000 Serbian students have benefitted from our financial aid and our scholarships have made the difference of getting or not getting a college education. And we also enabled over 300 students to do post-graduate studies abroad.

With increasing costs more and more gifted Serbian students throughout the regions of the former Yugoslavia are finding decreasing accessibility to higher education. We invite you to help by donating to the Studenica Foundation general scholarship/grant fund or specify if you want your donation to go into a fund designated for Serbian students in specific regions of the former Yugoslavia. Thus you can select from the specifically designated scholarship funds below for students in Bosnia & Hercegovina, Croatia, Macedonia, Montenegro, Serbia and Slovenia.

You can make a one-time donation or donate on a recurring monthly or quarterly basis and you can specify an amount or select one from the given options.
