E-GIVING FORM

transactions comply with U.S. law.

You can share in our dedication to improving the life of Haitian children, specifically through partnering with existing organizations to help construct orphanages and schools. When you participate, your donation will be transferred conveniently each month from your checking account or credit card directly to Ashley's Orphans.

Your donation will go even further because our paperwork will be reduced; our income will be more predictable, putting your donation to work immediately to help the people who are served by our mission.
