

The E-Giving Program – Electronic Tithes and Offerings

NEBC is now offering the opportunity to give our tithes and offerings through a program called, e-Giving. As a reminder, God has commanded that we give a tithe (Malachi 3:10) to the local church. A "tithe" is 10% of you gross income and shows our trust, dependency and obedience to the Lord. This is our starting point and should be given to the operating budget of the church. Anything we give above a tithe is called a 'offering', and can be designated in any area the Lord may be leading you (i.e. Restoring the Temple, Missions, etc).

When you participate in e-Giving, your gifts will be transferred conveniently each month from your checking or savings account directly to the church. E-Giving is convenient, as well as safe, secure and reliable. As a participant, you are still free to make additional gifts by check or cash, and place them in the offering plate each week during the services.

A record of each gift will appear on your monthly bank statement. In addition, we will continue to record and report to you all of your giving, regardless of the method, on the giving statements the church provides. You may increase, decrease or suspend your giving at any time by calling the church at (409) 899-1906 or by making your changes online.
