

## The Westerly Land Trust Sustainers Program Preserving the Places You Cherish

The Westerly Land Trust protects and cares for precious, increasingly scarce conservation land. Thanks to supporters like you, we have conserved 1600 acres of open space with over 22 miles of hiking trails in Westerly. That achievement brings responsibility to manage the properties, to provide the best possible access, and to assure appropriate uses for these places. With your support, we succeed in so many ways. We connect people to this beautiful land. We protect our town's sole drinking water supply, farmland, and critical wildlife habitats for those of us here today and the many to come.
