## MPC Lobos Booster Club Enrollment

Monterey Peninsula College Athletics Program is proudly supported by the Lobos Booster Club. Featuring outstanding men's and women's teams, the college offers intercollegiate baseball, football, golf, softball, tennis, volleyball, basketball, soccer and track and field. MPC Athletics boasts 225 student athletes each year, who in addition to demonstrating a high level of skill in their respective sports, must maintain a full-time course load and good academic standing.

Acknowledging both the dedication that is required to be a student athlete and the tremendous value the Athletics Program brings to our community, the Lobos Booster Club provides resources for critical program costs such as equipment, uniforms, and fees for competitions. From the gridiron to the baseline, the backstop to the back nine, your Lobos Booster Club membership presents student athletes on all playing fields with an opportunity to succeed. Join the Pack!
